KAL Host: Hev <http://tigerwhispers.com> and [Hev](#) on Ravelry

Welcome

Hev will be our knitter and Jessica will be our crocheter. Each month 2 patterns will be released - 1 by Hev & 1 by Jessica. We will start off with easy/basic squares as an introduction to to knitting and crocheting. Each month the squares will get harder in skill. We want those not comfortable with knitting and/or crocheting to build up skill as time goes on. We will post links to YouTube or other places if we feel they are needed. If you need help post a comment on that months post. Your email is required to be able to post a comment but that is only to prove you are an actual person -- it's a spam prevention measure. We will **NEVER** use your email for anything unless we reply to you personally to your comment.

How To Participate

So you have read through everything and want to join this kal/cal? That's awesome! All you have to do is watch Hev's and/or Jessica's sites and crochet and/or knit the squares. There is no sign up form, no money due, no email updates, etc. You work at your own pace and what squares you want to do. You don't have to do every square. You don't even have to make a blanket out of the squares you do! Hev & Jessica have designed this so you start out with really easy patterns - or the basics rather - and each month after will progress in skill. You may or may not learn from this cal/kal and that is fine too. All we want is for you to have fun! If you do participate we ask if you can to post your square(s) on Instagram using the hashtag **#mishmashkal2018** so we can see what you have done! Hev and Jessica both have it set up to show the photos using that hashtag on our pages for this cal/kal.

But You Used A Pattern You Normally Charge For

Jessica plans on making completely new patterns for each square she is responsible for. Jessica has learned from the past that sometimes she won't be able to do that. If Jessica chooses one of the patterns she charges for she will give participants a code to use on ravelry to get the pattern for free. All codes will work until January 31, 2019 no matter what month the pattern was used. Hev is also allowed to use Jessica's patterns and offer a 'for free' code if she cannot produce a pattern for that month. Also eventually sometime in 2019 some of the squares Jessica designs for this cal/kal will be patterns you will have to buy. She will give notice on her site at least 2 weeks before.
